

DE LUXE SHOPPING — LAUNDRY CART

Stronger • Automatic

OPEN

D12-32

The cart is simplicity itself . . . A flick of a finger and it's open up to 11", Adjustable to any width according to your shopping needs or laundry bags . . . Another flick and it's tightly closed to a width of only 2 inches.

It is light and compact, yet very sturdy. Front, back and bottom made of heavy gauge wire, the sides made of special hard steel, form a gate which enables the cart to open and close in a jiffy.

Bottom automatically opens and closes with side gates.
